Former Director, BMC RI is to the
extreme left. Monday 1st Sept 2014**

**Dr. P K Devadass has taken over as the new Dean/Director of BMC RI on 30th August 2014.
He was working as the Prof & HOD of Forensic Medicine in BMC RI, before he was appointed
to the present post.**

**Dr. P K Devadass is an alumnus of BMC having joined the MBBS course in 1976 and completed
in 1981. He also did his Post-Graduation in Forensic Medicine in BMC (1983-1986).**

**Both the BMC AA and BMC DT are very happy that an alumnus has become the Dean/Director
of our *alma mater* and have welcomed his appointment. The new Dean/Director who will also be
the Patron of the Alumni Association, has promised active involvement, help and cooperation in
the future activities of the Alumni Association and Development Trust.**
