

We are happy to bring you abreast with what is happening at BMCAA & BMCDT.

The Rajiv Gandhi University of Health Sciences has entered into a collaboration with the UNIVERSITY OF UTAH, SALT LAKE CITY, USA. to start a programme of COMPREHENSIVE EMERGENCY CARE AND LIFE SUPPORT TRAINING PROGRAMME FOR MEDICAL FACULTY in KARNATAKA.

There is no need to emphasise the importance of this training for doctors in India in general, and Karnataka to start with.

The first programme of Training of Trainers is being held on June 23,24 and 25 at the CLINICAL.SKILS CENTRE AT BMCRI which as you are all doubtless aware was established by the BMCDT & BMCAA. The facilities have been upgraded by importing special mannequins from the USA at a cost of 12 lakhs to meet the requirements of conducting a workshop of this kind with a world class programme and syllabus.

The BMCDT has entered into an MOU with the RGUHS which will meet part of the expenses of the upgrade and also help and assist in regular conduct of the training programme for our doctors.

Dr. Peter P Taillac and Dr. Vijay Bhaskar Reddy from the University of Utah will be the trainers at the first workshop. These are very eminent specialists and world renowned.

The formal inauguration of the programme which has been titled JEEVA RAKSHA will be done by His Excellency Governor of Karnataka and Chancellor of the Rajiv Gandhi University of Health Sciences Dr. Hansraj Bharadwaj, and the Chief Guest will be Dr. Vedprakash Mishra, Chairman, Academic Committee, MCI, New Delhi.

Dr. K.M.Srinivasa Gowda, Dr. T Rajeshwari, Dr. K.Lakshman, Dr.Rajashekhar Reddy, Dr.Suresh and Dr. Umesh
